

Magic in these hands

"Welcome ladies & gentlemen in this show, are you ready to rock?"

Tonight it's other show
You can't stop this fire
We've lost the control

Bridge
And playin', screamin', dancin' another song
Breackin' another love
And movin', shakin' all your hands on us
We give you our show

Tonight in front of me
You'll be mine oh baby
I'll take care of you

Bridge
And run 'n' run 'n' run on the stand
Crushin' another band
So jump 'n' run we put you down
Only with our show we put you down, down, down

RIT

Yeah oh yeah!
There's a magic in these hands
Yeah oh yeah! Magic!
Yeah oh yeah!
There's a magic in these hands
Yeah oh yeah ! Magic!

Listen now my words
You could feel a sublime emotion, oh baby !

Bridge
And love me, move me, shake me inside
I'm lovin' another girl
So love and scream I put you down
Only with my show I put you down, down, down

SOLO

RIT

Yeah oh yeah!
There's a magic in these hands
Yeah oh yeah! Magic!
Yeah oh yeah!
There's a magic in these hands
Yeah oh yeah ! Magic!
