

Mrs Drug

I'm beside myself with joy
In this run only I enjoin
I'm gonna drive faster this time
It doesn't matter if I'll arrive

BRIDGE

I'll show you my temptation
My brain is blindfolded
I'll take you in my dimension
Tonight I'm missing all my senses

RIT

Oh, oh, oh Mrs Drug can you feel it?
All this emphasis is beatin' in me
Oh, oh, oh Mrs Drug can you feel it?
All my blood and this pleasant feeling

I'm overwhelmed by the sight of you
I rely on you in this journey, too
You're the salvation of my regrets
You're the poison of my veins

BRIDGE

I'll show you my temptation
My brain is blindfolded
I'll take you in my dimension
Tonight I'm missing all my senses

RIT

Oh, oh, oh Mrs Drug can you feel it?
All this emphasis is beatin' in me
Oh, oh, oh Mrs Drug can you feel it?
All my blood and this pleasant feeling

SOLO

RIT

Oh, oh, oh... Mrs Drug can you feel it?
All this emphasis is beatin' in me
Oh, oh, oh Mrs Drug can you feel it?
All my blood and this pleasant feeling
